ANALYSIS

This is the first request for an Extension of Time of an approved Site Development Plan Review (SDR-18376) for a proposed 6,650 square-foot retail building on 0.79 acres adjacent to the south side of Lake Mead Boulevard, approximately 420 feet east of Decatur Boulevard. Title 19.18.050 deems a Site Development Plan Review exercised upon the issuance of a building permit for the principal structure on site, unless otherwise specified in conjunction with its approval. Since the original approval of the project, the applicant has not been issued a building permit for the proposed development.

FINDINGS

The applicant is requesting an extension of time of the approved Site Development Plan Review to secure financing for the project. The requirements as outlined in Title 19.18.050 have not been met to exercise the entitlement; therefore, staff recommends approval of this request with a two-year time limit. Conformance to the conditions of approval of the Site Development Plan Review (SDR-18376) shall be required.
